MEMORANDUM FOR MAJCOM/CC
NGB/CF

FROM: AF/A3
1480 Air Force Pentagon
Washington DC 20330-1480

SUBJECT: Air Force Support to Civil Air Patrol Encampments

1. Commanders, I am seeking support for Civil Air Patrol (CAP) encampments, cadet activities, and installation visits. These encampments focus on cultivating cadet leadership skills, fostering confidence, building character, and instilling a sense of community. The Cadet Program further prioritizes assisting the Air Force in pilot, cyber, and STEM career field recruitment.
2. As our Air Force Auxiliary, approximately 80% of NORTHCOM's daily Air Tasking Order is executed by these dedicated volunteer Airmen. Missions span disaster relief, counterdrug operations, search and rescue efforts, fighter intercept training, aerial observations, reaper chase and cadet orientation flights, totaling an impressive 100,000 volunteer hours annually. The success of our Rated Preparatory Programs and Rated Diversity Initiatives heavily relies on the substantial support provided by our Auxiliary, their aircraft, and flight instructors. These initiatives play a critical role in cultivating awareness and interest in military aviation careers.
3. We believe a major challenge in 2024 is connecting with a society that has a steady decline in the knowledge and propensity to serve in our military. This challenge fuels our need for opportunities to tell our Air Force story to the public. Our investment and commitment to this cadet program provides the perfect opportunity to educate the public that service in the Air and Space Force offers leadership opportunity, teamwork, and serves a greater purpose. I strongly encourage you to support encampments by contributing aircrew, aircraft, orientation flights, static displays, and other mission orientation opportunities, as your mission permits. CAP squadrons have training events on your installations and benefit greatly when CAP members and staff have support and access to your installation facilities. Thank you for your ongoing commitment to shaping America's aerospace future and supporting our Total Force Partners.
4. Our points of contact are AF/A3: Lt Col Erin Fassold (erin.fassold.3@us.af.mil), CAP: Ms. Berry (eberry@capnhq.gov), CAP-USAF: Mr. Tynismaa (michael.tynismaa.1@us.af.mil). The CAP Wing encampment schedule can be found on the SAF/PA site: <https://www.airshows.pa.hq.af.mil>.
