CIVIL AIRCRAFT LANDING PERMIT

Read Privacy Act Statement on back before completing this form.
If additional space is required, continue on back identifying by item number.

OMB No. 0701-0050

The public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, Executive Services Directorate, Information Management Division, 1155 Defense Pentagon, Washington, DC 20301-1155 (0701-0050). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PLEASE DO NOT RETURN YOUR FORM TO THE ABOVE ORGANIZATION. SEND COMPLETED FORM TO THE ADDRESS IN NOTE 2 ON BACK.

SECTION I - INFORMATION REQUIRED FROM USER

Permission is requested to use the listed military airfield(s). It is understood and agreed that:

- a. Except for weather alternate use or emergencies, I or my agent will contact each installation commander at least 24 hours prior to each landing for final clearance instructions. The remarks section of the flight plan will include user name and permit identification number.
- b. When required, I or my agent will obtain diplomatic or overflight clearance when operating over international borders.
- c. Commanders of military installations may restrict civil aircraft operations to preclude interference with military activities or to protect national security.
- d. This permit does not necessarily entitle my aircraft to receive aviation fuel, oil, or other services from U.S. Government sources.
- e. On-board personnel are not authorized activities except for purposes directly connected with this permit.
- f. Use is limited to the listed aircraft, period indicated, purpose stated, and conditions shown, and is not transferable.
- g. An approved copy of this permit must be aboard each aircraft using the military airfield.
