Numerical Index of CAP Regulations, Manuals, Pamphlets, and Visual Aids

This is an index of regulations, manuals, pamphlets, and visual aids currently in effect by classification, date, title, and office of primary responsibility (OPR) at National Headquarters Civil Air Patrol. It is CAP's intention that all publications be written utilizing the concepts of gender neutrality. Therefore, except as required due to gender differences (such as in descriptions of CAP uniforms), all references to one gender should be interpreted to apply equally to both genders. The most up-to-date publications and forms are on the National CAP website. **Note: Shaded areas identify new or revised material.**
